

Where Medicine & Fitness Come Together

Corporate Education Program

The National Institute of Restorative Exercise (NIRE) brings the education to you! We have created a unique program that offers a quick, inexpensive way for organizations to receive continuing education.

Highlighted Course

California Laws, Regulations, and Ethics for the Physical Therapist

Cost: \$35 per person

Step #1: Organization registers with NIRE

Step #2: Employees will receive a 2 hour home study course (PDF format)

Step #3: Employees take a 15 question quiz

Results: Upon passing, employees get a certificate & complete the 2 hour requirements.
